Dear Sir:

DEFICIENCY PAYMENT TO CORRECT ERRORS IN FEES PAID

Further to the filing a response to an outstanding action at the US Patent Office together with a request for continued examination (RCE) on July 30, 2008, is has come to our attention that authorization was given to charge small entity fees when in fact large fees should have been charged.

The large entity payment according to the current fee schedule that should have been made are as follows:

- Request for Continued Examination: 1 x \$810 = \$810
- One Month Extension Fee: 1 x \$120 = \$120

The deficiency payment has been calculated as follows:

- Request for Continued Examination: 1 x (\$810-\$405) = \$405
 - One Month Extension Fee: 1 x (\$120-\$60) = \$ 60
- \$465

The Commissioner is hereby authorized to charge the fee of \$465 and any additional fees which may be required for completion of the RCE and one month extension, or to credit any overpayment to Account No. 01-0310.

2

As this fee correction is being submitted prior to the August 4, 2008 one month extension deadline, the RCE, one month extension and response should now be considered complete and on time. However, if anything further is required, please contact the undersigned.

Respectfully submitted
John Bolland Reast
